## Traffic Management & Security

# CATO

# Traffic Management & Security

The safety of your staff and the general public are our top priority—unlicensed personnel put everyone at risk and make you liable if the unthinkable happens. We demand a higher level of service from our crew—we pay above the award to ensure you get the quality you expect and need on your project. We pride ourselves on our strong relationships with local NSW, QLD, SA, ACT and State Governments and are pre-approved for Local Government Procurement.

### Terms & Conditions

The above rates are based on a five-hour minimum for all shifts and require the location to be in the Sydney, Brisbane or Adelaide metro areas, or on the Gold Coast or in the Byron Bay area. All prices quoted are subject to GST. Payment terms are within seven days from the date of invoice. Cancellation fees may apply. Amendment fees to traffic management plans and applications may apply. Our employees are paid as per the Security Services Industries Award 2010 including overtime, night and weekend rates. We do not pay flat rates. Cato Location Services does not accept responsibility or liability if a client or production requests Traffic Controllers act as Security to cover lunch breaks. Cato Location Services does not accept responsibility for any Traffic Management Plans if the traffic management is not implemented by Cato Location Services. For our full terms and conditions visit our website. THIS INFORMATION IS CONFIDENTIAL AND SHOULD NOT BE PASSED ON TO THIRD PARTIES.
